

FurnitureLab™ Table Bases Worksheet

How to Play with the Elements:

Select products from our catalog and choose from the options below to help you specify FurnitureLab™ products. Please note that the shaded areas of these worksheets represent product specs that are not required in order for us to provide a quote. You can fill them out if you have the information or leave them blank if you do not.

Our customer service team is available to assist you Mon.–Fri. 9 – 5 E.S.T. at 800-449-8677.

Project Name: _____

Base worksheet must be completed with a laminate or wood tops worksheet.
