**Materials:** High-pressure laminate mounted to a particle board cabinet with white melamine on the inside. A plastic 32-gallon garbage can is included.

**Sizes/Shapes:** Our standard unit is built to the specifications shown above, though we can produce them in any size or shape.

**Surface:** Standard or Graphic Laminate.

**Options:** Tray storage area on top can be made to your specifications.

**Door Flap:** Push, Recycle, Thank You, Trash, or Blank.

Trash receptacles are built in the dimensions shown above and can be made to your custom specifications as well.

These Trash Receptacles can be produced with Graphic Laminate made from customer or FurnitureLab™ supplied graphics or logos (p.78–104)

All Standard and Graphic Laminates are GreenGuard® certified, substrate made with 100% recycled wood fiber, FSC certified and formaldehyde-free substrate available

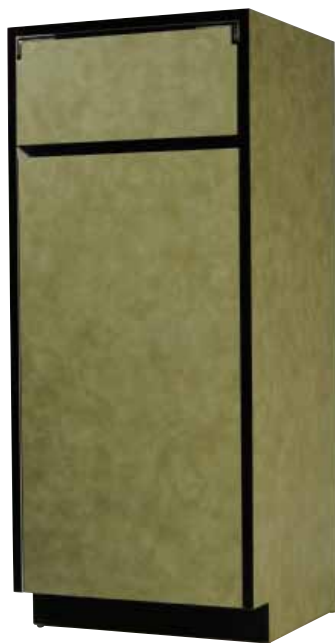

Windsor

Graphic Bedford

This is an example of how the Bedford looks when it is produced using Graphic Laminate with the FurnitureLab™ French Roast design.
